STADIUM INFORMATION

Welcome to Lewis Field Stadium, the 7,000 seat home of the Tigers. The Stadium was constructed in 1936 on what was formerly the Golden Belt Fairgrounds, and named in honor of William Alexander Lewis, president from 1913 to 1933.

The stadium turf is Bermuda grass, the same strong-rooted plant used on golf course greens.

Dressing rooms, concession areas, restrooms, athletic booster club facilities, athletic training facilities, and equipment storage rooms are located underneath the grandstands.

Fans are admitted through two main gates located on both the east and west sides, with four ticket windows in service for the game. Additional exits are opened just prior to the end of the contest.

Atop both the east and the west grand stands are press box facilities which provide seating for writers and statisticians, three radio stations, scouts, and three film crews.

An eight-lane, cinder track surrounds the playing field and adjacent to the stadium are regulation size practice facilities.

FIRST AID

The Ellis County Ambulance Service is in attendance at all Fort Hays State University home football games. The ambulance is located at the north end of the stadium near the scoreboard.

LOST & FOUND

A lost and found station will be set up in the main press box on the east side of the stadium. If the press box is closed, or on days following the game, please check with the Athletic Department office.

Game Story...Fort Hays State

Happiness is different things to different people. To Fort Hays State football fans, a Tiger victory would make Homecoming a happy occasion. It would also keep the tigers undefeated in Central State Conference play. Sporting a winning streak of three games, a feat not accomplished since 1967, the Tigers meet the Gorillas of Pittsburg State in a battle for first place.

Not since 1966 have the Tigers won four or more straight games and it was Pittsburg State who brought the Tigers to a halt after the Tigers had reeled off six consecutive wins. Pittsburg State is also the last Homecoming foe that the Tigers have beaten, that came in the 1975 Homecoming affair when

the Tigers slipped by the Gorillas, 19-13.

The Tigers ran their record to 3-3 with a come-from behind win over Emporia State, 27-17, last Saturday at Emporia. Wes Alstatt rumbled for 118 yards against the Hornets, while league leading rusher Tom Doll was held to 77 yards. Doll has amassed 660 yards and was rated as the 13th leading ball carrier in the NAIA last week. The senior tailback scored two touchdowns against Emporia State.

Freshman Rick Mondt fired two touchdown passes against the Hornets in his first start as a college quarterback. Mondt's targets were tightend Sam Farmer and flanker Louis Pfortmiller. Farmer also caught a two point conversion pass

following his touchdown grab.

Today's Homecoming game combines the return of alumni and friends of Fort Hays State University and the gala festivities of Octoberfest. The celebration also is the day when a former Fort Hays State scholar-athlete is bestowed the highest honor a Tiger can receive, the Busch-Gross Award. The award recognizes a former student-athlete who has excelled in both athletics and academics.

Game Story... Pittsburg State

It should be a rumble in the jungle as the Gorillas of Pittsburg State swing into Lewis Field for today's game. This will be the 51st meeting of the Tigers and the Gorillas. Pittsburg State has won 26 games, while Fort Hays State has dropped the Gorillas 16 times. Last year the two teams struggled to a 29-29 deadlock. It was the eighth time that the Gorillas and Tigers have tied. In 1976, Fort Hays State slipped past Pittsburg, 20-19. The last Homecoming win for the Tigers was over Pittsburg in 1975, 19-13.

Pittsburg State has been the surprise of the Central States Conference so far this season. The Gorillas opened conference play with an upset of Kearney State, the defending league champs, 14-2, in Pittsburg. Last Saturday night, the

Gorillas went ape beating Missouri Western, 48-20.

The Gorillas are coached by Ron Randleman. Randleman has a record of six wins, 15 losses, and two ties in his three

year tenure as the Gorillas mentor.

Running backs Boney Green and Richard Overton have led the Gorilla ball carriers, while Mark Hittner calls the signals for Pittsburg. Green has carried the ball 90 times for 417 yards and two touchdowns. Hittner sports an average of over 110 yards a game passing and has connected for four touchdowns.

The Gorillas are ranked first in rushing offense in the conference and the Tigers are second in rushing defense. The

match-up should provide some hard hitting action.

With the winner of today's game taking sole possession of the Central States Conference top spot, the game is critical to both teams chances of post season play. Tiger coach Bill Giles said, "With Pittsburg upsetting Kearney State, it makes them the team to beat. We'll have to play super football to beat them."
